## Special Instructions

- If you donated via the websites FIRSTGIVING.COM or PAYPAL.COM, please print out the receipt of your donation and include it with this form.
- If you are donating via cash or check, please include this form with your "Mail-In Donation Form" and your "Donation."

NOTE: We expect to receive numerous donations during our period of fundraising. Because it would require too much time to process tax deduction receipts for every single donation, we are going to set our floor limit at \$50.00 USD. Donations above \$50.00 USD will qualify for a tax-deduction receipt! However, donations below that amount will not be eligible, again due to the processing work required. All donations, however, are very important to us, and we apologize terribly for any inconvenience this may cause. We thank you very much for your support!
